ALERTA ALARMS – NEW WIRELESS OPTIONS AVAILABLE NOW!

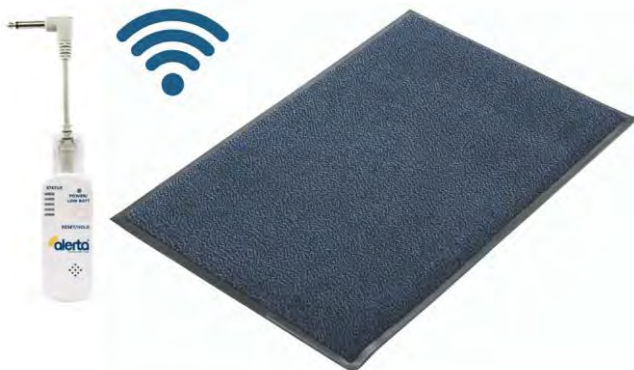

We are pleased to announce the addition of a range of Alerta Wireless options to compliment the existing Alerta Alarms range.

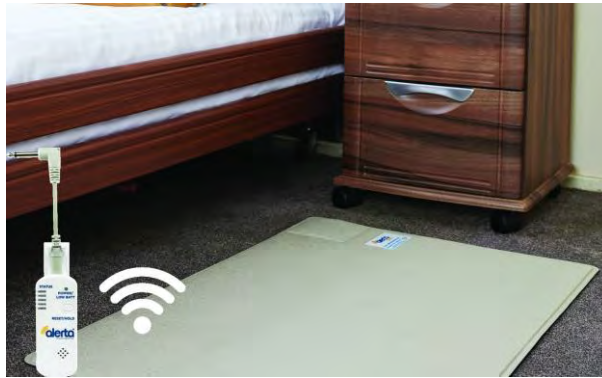

The wireless additions include a Bed Pad, Chair Pad and two Floor Mat options, as well as a new Nurse Call Pendant system. As per the wired range these options will also come in kits (Pad or Mat + Monitor + Mono/Stereo Cables) ensuring clients get everything they need in the one kit.

Note – These are in addition to the Alerta Wired range which is still available.

NEW AND DISTINGUISHING FEATURES/KITS

- **Wireless connect-and-play** system with quick setup, easy to use straight away.
- **Less wires** - no unsightly wires connecting pads/ mats to monitors.
- **Available in complete kits**, easier for quick customer sales and setup:
 - **Chair Pad**
 - **Bed Pad**
 - **Deluxe Floor Mat**
 - **Floor+ Mat**
(All above work in the same way as the wired systems)
 - **Nurse Call Pendant**
 - Worn around the neck, the large easy to press button activates the alarm when pressed, alerting the caregiver to the user's needs. Provides the user with reassurance that help is at hand.
 - **See video for more details:** [Nurse Call Pendant](#)
